Stars: Bruce Willis, Gary Oldman, Ian Holm,  
Milla Jovovich, Chris Tucker, Luke Perry, Brion James, Lee  
Evans, Mathieu Kassovitz

What is the film about?

Film is about one elite army. He was a taxman and he met alien. This alien was a nice woman. She must save the world before apocalypse.

What kind of films is it?

It is sci-fi and comedy film. And it is romantic too.

Who are main characters?

Main characters are taxman (Bruce Willis) and alien (Milla Jovovich).

Where does it take place?

It takes place in space.

What happens?

The taxman and alien must stop apocalypse and they can do it only with five elements (water, fire, wind, land and the fifth element). They found four elements, but they didn't know what is the fifth element, it was love. At the end taxman fell in love with alien and alien fell in love with taxman.

Did you like the film? Why?

Yes, I like this film, because it is about future and it was great fun. In this film was a lot of jokes too.
